Continuation of Attachment(s) 9. Other: This communication indicates that claims 36 and 37 are among the allowed claims, correcting two erroneous indications in the communication mailed 26 September 2006: That claim 35 had been allowed - when in fact it had earlier been canceled - and that claim 37 was not allowed when in fact it was among the claims amended for allowance in the examiner's amendment. A corrected Issue Classification form and a corrected Index of Claims form accompany this communication for the benefit of the printer.
